**Referrer** - an existing member of the XYRO community who shares a promotional link;

**Referee** - a new member of the XYRO community, invited by an existing member of the XYRO community via a promotional link;

**Prize** - the free reward received by the Referrer and the Referee in the Referral program;

**The Referral program** - an advertising program that allows participants to receive prizes for registering in the Discord XYRO community and for inviting friends or subscribers who subsequently register in the Discord XYRO community.

**Member** - an existing or new member of the XYRO Discord community.

**Minting an NFT** - the process of converting digital data into crypto collections or digital assets recorded on the Arbitrum Network blockchain. The Whitelist NFTs can be minted by participants who won a NFT as a reward.

### 2. General Terms

2.1. A referral link cannot be provided to existing or previous members of the XYRO community.

2.2. Employees and contractors of XYRO are not eligible for this Referral program.

2.3. Participation in the Referral program shall not constitute or be deemed to constitute any form of partnership, association, or joint venture between participants and XYRO.

2.4. We will not share the Referee's personal details (e.g., email address, Discord/Twitter/Telegram usernames, etc.) and circumstances with the Referrer or other participants in the Referral program. No information about the type, price, and number of prizes will be made public or shared with other participants in the Referral program.

2.5. Receiving prizes may have tax implications for the recipient; XYRO does not take any responsibility for taxes related to these prizes.

2.6. Tax implications depend on your personal circumstances, and if you are unsure about any tax implications, seek advice from a tax professional.

2.7. Xyro is the sole arbiter of the Referral program and reserves the right to alter, amend, extend, or terminate the Referral program at any time without prior notice. We will notify you of any changes to the Referral program and/or its conditions by updating the Referral program's official webpage (<https://invite.xyro.io>), and we recommend that you check the Website regularly for such updates.

2.8. This referral program starts from the moment of its posting on the official webpage (<https://invite.xyro.io>) and continues to operate until April 30, 2024 (April thirty two thousand and twenty-four) included.

No prizes will be awarded for registrations in the XYRO community made after the specified date.

At the same time, XYRO's obligations to issue prizes remain in effect until they are fully fulfilled in accordance with the terms of the referral program.

### **3. Registration Terms**

3.1. Each new Member will receive 1 (one) welcome prize upon registering and fulfill social media subscription conditions at the referral XYRO account.

3.2. In some cases, the invitee may have a temporary promotion active, which allows referral to receive more than 1 (one) reward for fulfilling the conditions. Information about the active promotion and the timer of the promotion can be found in the header on the referral page of your invitee. If there is no such message, then a reward will be received via the invitee's link in accordance with paragraph 3.1.

3.2. To register, the participant must join the Discord channel. If the client does not have an account, it is necessary to click on the "Login with Discord" button on the official webpage (<https://invite.xyro.io>) and complete the registration and verification process.

3.3. Afterwards, the participant will be directed to the Arbitrum wallet input field. If the participant already has an Arbitrum wallet, they should copy their wallet address and paste it here. Under no circumstances should the participant share their seed phrase;
